RIVERSIDE TOWN

TEWKESBURY RETAIL GUIDE

YOUR PERFECT SHOPPING DESTINATION

Described as a ‘gem town’, Tewkesbury certainly is a fascinating and historic place.

Shopping in Tewkesbury combines a mix of independent retailers nestled between well-known high street names.

The town is renowned for its selection of specialist destination shops runs by experts who are always keen to give customers a helping hand to make sure they get exactly what they’re looking for.

The town’s twice-weekly market is held on Wednesdays and Saturdays in the Spring Gardens car park just off the High Street. Catch up with friends over coffee and cake, or round the day off with a delicious meal.

I have been a customer since the opening of this fantastic shop! I can't praise it highly enough. The selection of books is extensive and the owner has a very detailed knowledge of his stock. They have also managed to find some pretty obscure tomes for me over the years! Thoroughly recommend a visit.

Walking in was like an Aladdin's cave, It has a bountiful stock of exquisite rugs and accessories. Claire and Jon were fabulous, giving us valuable advice and plenty of time to help us pick the most appropriate rug for our room.

Thank you for being such good fun, letting our dog Ben help in the decision making and expanding our knowledge.

Absolutely obsessed!!!! Tom has done my tattoo, I'm extremely pleased with his design and how it turned out! The studio is beautiful, extremely clean, amazing vibes and generally a lovely environment. I would recommend it to anyone, they're really professional and amazing in what they do.

This is a very nice library. It's a good learning place for you and your kids. They have a colourful area for toddlers and a separate area for drawing and painting. The staff is also very cooperative and friendly. Especially for book readers they will always provide you a peaceful environment.
